A SPECIAL MESSAGE FROM OUR SENIOR PASTOR

Greetings,

Grace and peace be unto you.

For several weeks, Metropolitan NTM Baptist Church has closely monitored the status of the Coronavirus (COVID-19). We are following CDC guidelines and recommendations from local health officials as it relates to the Capital Region which includes enhanced cleaning and sanitizing at our campus. Metropolitan has also created a COVID-19 Task Force and we are currently preparing for different scenarios that may come in the near future.

Earlier this week I met with the leadership of the church to debrief them on the unfolding situation. During this time, we ask that you continue to pray. Pray for the individuals who have fallen ill, pray for those in the healthcare industry and health officials who interact with the public, and pray for anyone who may be affected by COVID-19.

IMPORTANT UPDATE

Sunday worship services and Life Groups at our campus are CANCELLED until further notice.

All ministry meetings & activities have been suspended to minimize the risk of COVID-19 exposure.

MetroU will not meet in person, but we will meet via on Facebook Live at 6:30PM on Wednesday until further notice. Prayer Meeting on Wednesday evenings is also cancelled until further notice.

Out of continued compassion and generosity, our food pantry will still run on its normal schedule.

The church office will remain open. If you have questions or concerns, please call the Church Clerk at (518) 465-9375.
